

# Report on English Department Activities - November

## Introduction

The English Department of **Jacob Matriculation Higher Secondary School** celebrates Shakespeare's Day every Monday, providing students with engaging activities aligned with their English curriculum.

## Activity Reports

### November 4, 2024: Grade 5 Homophones Activity

On November 4th, 2024, Grade 5 students participated in a homophones activity. Students actively engaged in identifying and pronouncing homophones, demonstrating their understanding of words with similar sounds but different meanings.

### November 12, 2024: Grade 7 Homophones and Homonyms Activity

Grade 7 students delved deeper into wordplay on November 12th, 2024. They explored both homophones and homonyms, explaining their meanings and appropriate usage in the English language. This activity enhanced students' vocabulary and linguistic skills.

### November 18, 2024: Primary Grades - Rhyming, Palindromes, and Story Narration

Primary grade students celebrated the power of words on November 18th, 2024. They engaged in activities centered around rhyming words, palindromes, and story narration. These activities fostered creativity, imagination, and a love for language among young learners.

## November 25, 2024: Grade 9 Poetic Devices Activity

Grade 9 students showcased their understanding of poetic devices on November 25th, 2024. They prepared informative charts to visually explain various poetic devices, demonstrating their critical thinking and analytical skills.

## Conclusion

The English Department's dedication to fostering a love for language and literature is evident through these engaging activities. By incorporating creative and interactive elements, these sessions have enriched the learning experience for students of all grades.
