

## **Global Transformers Day: A Showcase of Social Science Brilliance**

The Department of Social Science at Jacob Matriculation School has taken the initiative to transform Thursdays into a platform for young minds to explore the rich tapestry of social science. Through engaging activities, students are not only learning about historical figures and geographical locations but also imbibing the values of empathy, compassion, and civic responsibility.

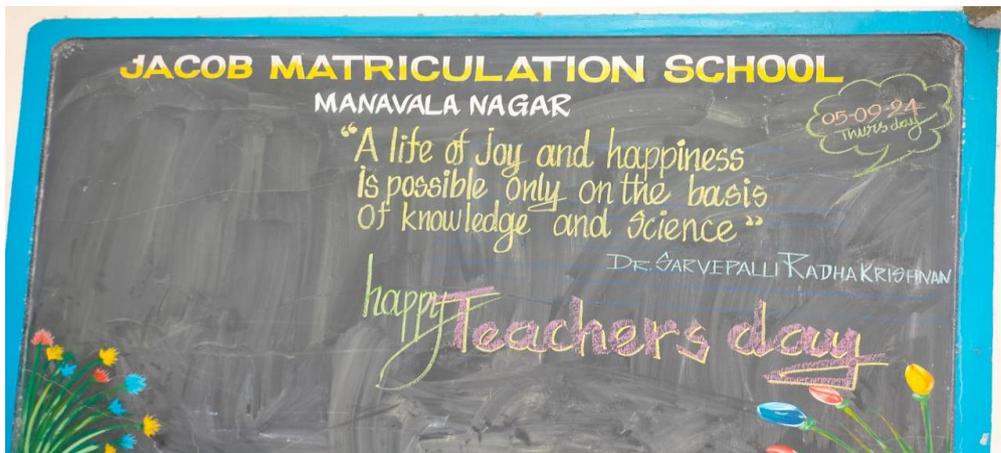

### **The Seven Philanthropists: A Tribute to Humanity**

One such inspiring activity was the portrayal of the "Seven Philanthropists." Students, dressed as iconic historical figures like Pari, Kari, Ori, Pegan, Adhiyaman, Nalli and Aai, brought these legendary figures to life. Through captivating performances, they highlighted the philanthropic deeds of these individuals, inspiring their peers to follow in their footsteps.

## Celebrating Teachers' Day: Honoring the Architects of the Future

On September 5th, the school observed Teachers' Day with reverence and gratitude. Students and teachers paid homage to Dr. Sarvepalli Radhakrishnan, a renowned scholar and former President of India, by offering floral tributes to his portrait. Eloquent speeches were delivered to commemorate his invaluable contributions to education and society.

## Unveiling the Diversity of Tamil Nadu: A Geographical Exploration

To foster a deeper understanding of their state, students embarked on a geographical journey through the districts of Tamil Nadu. They recited the names of all districts, including the newly added district of Tirupattur, showcasing their knowledge and enthusiasm for geography.

## Conclusion

The Global Transformers Day initiative has proven to be a resounding success, igniting the spark of curiosity and critical thinking among students. By blending education with entertainment, the Department of Social Science is creating a vibrant learning environment that empowers students to become responsible citizens and global leaders.
